Dear Surgical Specialists of Spokane,

We would like just a moment of your time to express our gratitude for your past support of our Taste of Life event.

Thanks in part to support from your business and others, we're able to continue offering the highest possible quality hospice care to our community's residents who have a terminal illness, regardless of their ability to pay. You've helped bring comfort, dignity and peace of mind to patients and families who are going through an extraordinarily challenging period of life.

We hope you will continue helping ensure excellent end-of-life care by supporting Hospice of Spokane in the future.

Sincerely,

Dale Hammond, APR
