Spokane, WA 99204

Dear Craig,

Thank you so much for supporting the Providence Holy Family Foundation Shamrock Gala in 2010! Because of you and community partners like you, we raised over \$82,000 to benefit services and programs at Providence Holy Family Hospital. Your table sponsorship donation in the amount of \$2000 helped ensure a successful event. I am writing to request your support again this year.

A limited number of sponsored tables of ten are available for \$2,000 each. Benefits of a sponsored table include proudly displayed table signage, listing in the auction brochure and publicity during the program.

Providence Holy Family Foundation would like to invite you to participate in a very special fundraising event to support the greatest needs of Holy Family Hospital. The Fourth Annual Shamrock Gala will be held Saturday, March 26, 2011 at the historic Davenport Hotel. It is sure to be an evening of fabulous food, fine wine, dancing as well as silent and loud auctions.

As you know, Providence Holy Family Hospital has a passionate commitment to a healing environment second to none, made possible through the support of our philanthropic partners. Providence Holy Family Hospital is committed to expanding Women's and Children's Services to better meet the expanding needs of our north Spokane Community. Your support of the Shamrock Gala will assist us in reaching our \$1 million dollar goal for this project. Our hospital belongs to all of us and we never know when we or someone we care about may need it.

We ask that you join Providence Holy Family Foundation in supporting Providence Holy Family Hospital and together we can build something even more substantial than a structure. Together we can create an enduring healing legacy that will enrich our community in the years to come.

Please remember, your contribution is tax deductible as allowed by law. Our federal tax identification number is: 91-1107079.

We would like to thank you for joining the Holy Family Foundation in our commitment to Holy Family Hospital. We look forward to seeing you and will be following up in the near future.

Sincerely,
